## Goat anti Rabbit IgG, Fc Fragment Specific Antibody

### **ORDERING INFORMATION**

**Catalog No:** 84000

**Size:** 2.0 mg IgG

### **SPECIFICATION SUMMARY**

**Antigen:** Rabbit IgG

**Host Species:** Goat

**Stabilizers:** None

**Preservatives:** None

**Buffer:** 0.01M Sodium Phosphate, 0.25M NaCl, pH 7.6, Sterile Liquid

**Purification:** Immunoaffinity chromatography

### **SPECIFICITY**

The antibody reacts with the heavy chains associated with rabbit immunoglobulin.

### **STORAGE AND STABILITY**

Store at 2-8°C. Expires 1 year from the date of receipt.

For *in vitro* research use only.
