

**AP01006PU-N****Polyclonal Antibody to G-protein coupled receptor 32 (GPR32)  
(3rd. cytopl. Dom.) - Aff - Purified****Alternate names:**

G-protein coupled receptor 32, GPR32

**Quantity:**

50 µg

**Host:**

Rabbit

**Applications:****ELISA.****Immunohistochemistry on Paraffin Sections:** 10 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
