

AP01008PU-N**Polyclonal Antibody to G-protein coupled receptor 61 (GPR61) (C-term) - Aff - Purified**

Alternate names:	BALGR, Biogenic amine receptor-like G-protein coupled receptor, G-protein coupled receptor 61, GPR61
Quantity:	50 µg
Host:	Rabbit
Applications:	ELISA. Immunohistochemistry on Paraffin Sections: 10 µg/ml. Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
