

AP01018PU-N**Polyclonal Antibody to G-protein coupled receptor 68 (GPR68) -
Aff - Purified****Alternate names:**

G-protein coupled receptor 68, GPR12A, GPR68, OGR-1, OGR1, Ovarian cancer G-protein coupled receptor 1, Sphingosylphosphorylcholine receptor

Quantity:

50 µg

Host:

Rabbit

Applications:**ELISA.****Immunohistochemistry on Paraffin Sections:** 5 - 10 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
