

AP01023PU-N

**Polyclonal Antibody to G-protein coupled receptor 52 (GPR52)
(3rd. cytopl. Dom.) - Aff - Purified**

Alternate names:

G-protein coupled receptor 52, GPR52

Quantity:

50 µg

Host:

Rabbit

Applications:

ELISA.

Immunohistochemistry on Paraffin Sections: 2.5 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
