

AP01025PU-N**Polyclonal Antibody to G-protein coupled receptor 32 (GPR32) (C-term) - Aff - Purified****Alternate names:**

G-protein coupled receptor 32, GPR32

Quantity:

50 µg

Host:

Rabbit

Applications:**ELISA.****Immunohistochemistry on Paraffin Sections:** 20 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
