

AP01029PU-N**Polyclonal Antibody to G-protein coupled receptor 149 (GPR149)
(C-term.) - Aff - Purified****Alternate names:**

G-protein coupled receptor PGR10, GPR149, PGR10, Probable G-protein coupled receptor 149

Quantity:

50 µg

Host:

Rabbit

Applications:

Immunohistochemistry on Paraffin Sections: 2.5 - 5 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
