

AP01062PU-N**Polyclonal Antibody to G-protein coupled receptor 18 (GPR18) (C-term) - Aff - Purified****Alternate names:**

G protein-coupled receptor 18, GPCRW, GPR18, N-arachidonyl glycine receptor, NaGly receptor

Quantity:

50 µg

Host:

Rabbit

Applications:**Immunohistochemistry on Paraffin Sections:** 10 µg/ml.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
