

Polyclonal Antibody to Aminolevulinic acid - Serum

Alternate names:	5-aminolevulinic acid, 5ala, Delta-Aminolevulinic acid, dALA or delta-ALA
Catalog No.:	AP05368SU-N
Quantity:	0.1 ml
Host / Isotype:	Rabbit / IgG
Immunogen:	5-aminolevulinic acid-gluteraldehyde-BSA.
Format:	State: Lyophilised serum Reconstitution: 50 µl distilled water + 50 µl glycerol
Applications:	ELISA: 1/2000 - 1/10,000. Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
Specificity:	This antibody recognises 5-amino-levulinic acid, a compound in the porphyrin synthesis pathway. This antibody has been adsorbed against BSA but only recognises conjugated 5-amino-levulinic acid, not free 5-amino-levulinic acid.
Storage:	Prior to reconstitution store at 2-8°C. Following reconstitution store the antibody at -20°C. Avoid repeated freezing and thawing. Shelf life: one year from despatch.
