## Salmon Calcitonin Acetate - Purified

Catalog No.:	AR10438PU-L
Quantity:	25 mg
Background:	Calcitonin (CT) is a peptide hormone produced by the parafollicular cells of the thyroid gland in mammals and by the ultimobranchial gland of birds and fish. Salmon calcitonin (sCT), which is more potent and longer lasting than human CT, has been used widely for the treatment of osteoporosis, paget's disease, hypercalcemic shock and chronic pain in terminal cancer patients. sCT is one of the many bioactive peptides that require C-terminal amidation for full Biological activity.
Uniprot ID:	<u>P01265</u>
NCBI:	<u>8019</u>
Species:	Salmon
Source:	Synthetic
Format:	<b>State:</b> Sterile Filtered White lyophilized (freeze-dried) powder without additives <b>Purity:</b> >8.0% as determined by both RP-HPLC and SDS-PAGE analysis <b>Reconstitution:</b> Restore in sterile $18M\Omega$ -cm <sup>-1</sup> H <sub>2</sub> O not less than 100 µg/ml, which can then be further diluted to other aqueous solutions.
Description:	Calcitonin Acetate (Salmon) is a Synthetic polypeptide of 32 amino acids in the same linear <u>sequence</u> that is found in clacitonin of salmon origin. Molecular Formula: of C <sub>145</sub> H <sub>240</sub> N <sub>44</sub> O <sub>48</sub> S <sub>2</sub> Molecular Weight: 3431.9 Dalton AA Sequence: Cys-Ser-Asn-Leu-Ser-Thr-Cys-Val-Leu-Gly-Lys-Leu-Ser-Gln-Glu-Leu-His-Lys- Leu-G ln-Thr-Tyr- Pro-Arg-Thr-Asn-Thr-Gly-Ser-Gly-Thr-Pro-NH <sub>2</sub>
Storage:	Prior to reconstitution store at 2-8°C for one month or desiccated below -18°C. Following reconstitution store undiluted at 2-8°C for one month or (in aliquots) at -20°C for longer. For long term storage it is recommended to add a carrier protein (0.1% HSA or BSA). Avoid repeated freezing and thawing. Shelf life: one year from despatch.

**For research and in vitro use only. Not for diagnostic or therapeutic work.** Material Safety Datasheets are available at www.acris-antibodies.com or on request. Acris Antibodies is now part of the OriGene family. Learn more at www.origene.com
