

Monoclonal Antibody to Complement 3a

Catalog No.:	BM777
Quantity:	0.1 mg
Host / Isotype:	Mouse / IgG
Clone:	10-21
Immunogen:	Human C3a from serum, purified from ascites by Protein A, supplied liquid in borate buffered saline, pH 8.2 with 0.02% azide. Format: This antibody is supplied as liquid, purified immunoglobulin fraction in PBS buffer with 0.5% BSA and 0.1% sodium azide as preservative.
Applications:	ELISA: >1:3000. Optimal dilutions of this antibody are dependent on application and should be determined by the user. Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.
Specificity:	May react with C3a from other species. Minimal reactivity with other complement proteins by RIA and haemagglutination.
Storage:	Store the antibody at 4-8°C for one month or at -20°C for longer. Avoid repeated freezing and thawing. Shelf life: one year from despatch.
