

## Polyclonal Antibody to LYN

<b>Catalog No.:</b>	SP1188
<b>Quantity:</b>	0.1 ml
<b>Host:</b>	Rabbit
<b>Immunogen:</b>	Synthetic peptide NKQQRVPESQLLP derived from LYN sequence.

Format: This antibody is supplied as liquid serum with 0.05% sodium azide as preservative.

**Applications:** Immunoprecipitation: neat. Western blot: 1/5000. Other applications not tested. Optimal dilutions of this antibody are dependent on conditions and should be determined by the user.

Other applications not tested. Optimal dilutions are dependent on conditions and should be determined by the user.

**Specificity:** This antibody recognises the LYN protein tyrosine kinase, which is important in signalling processes in a range of cells of the immune system. Reacts with human, mouse and rat. Antibody reactivity and working conditions may vary between species.

**Storage:** Store the antibody at 4-8°C for one month or at -20°C for longer. This product should be stored undiluted. Avoid repeated freezing and thawing. Shelf life: one year from despatch.

**General Readings:** 1. Bewarder N, Weinrich V, Budde P, Hartmann D, Flaswinkel H, Reth M, et al. In vivo and in vitro specificity of protein tyrosine kinases for immunoglobulin G receptor (FcγRII) phosphorylation. Mol Cell Biol. 1996 Sep;16(9):4735-43. PubMed PMID: 8756631.
