

Material Safety Datasheet for Link-A-Light FluoProbes® 682 Conjugation Kit (SAF0031_A)

1. Product description

1a. Identification of the substance / preparation

Catalog No.: **AC033-001, AC033-002, AC033-003**

Product Description: Conjugation Kits

1b. Supplier

Acris Antibodies GmbH

Schillerstraße 5

D-32052 Herford

Germany

Phone: +49-5221-34606-0

Fax: +49-5221-34606-11

Email: info@acris-online.de

Internet: www.acris-antibodies.com

2. Composition / Information on ingredients

Name:	CAS No.	Contents:	Symbol	Risk : (R No.)
Component 1	not applicable	By weight 85.8 %	-	R36/37/38
Component 2	not applicable	12.9 %	-	R36/37/38
Component 3	not applicable	1.19 %	-	R36/37/38
Component 4	not applicable	0.09 %	-	R36/37/38

Composition comments: Link-A-Light FluoProbes® 682: A lyophilized blue powder

3. Hazards identification

Physical/chemical hazards:	not applicable
Routes of Entry	Absorbed through skin. Eye contact. Inhalation. Ingestion.
Potential Acute Health hazards:	Slightly hazardous in case of skin contact (irritant), of eye contact (irritant) of inhalation (lung irritant)
Carcinogenic Effects:	CARCINOGENIC EFFECTS: Not available. MUTAGENIC EFFECTS: Not available. TERATOGENIC EFFECTS: Not available.
Medical Conditions Aggravated by over exposure:	Repeated or prolonged exposure is not known to aggravate existing medical conditions
Overexposure/signs/symptoms:	Not available

4. First-aid measures

Skin:	In case of contact dab off with absorbent cloth and wash off skin thoroughly with soap and water. If discomfort persists obtain medical attention.
Lungs:	If inhaled, remove from exposure, rest and keep warm. Seek medical attention.
Mouth:	If ingested, wash out mouth thoroughly with water and give plenty of water to drink. DO NOT induce vomiting. Obtain medical attention.
Eyes:	Flush eyes with plenty of water for at least 10 minutes, occasionally lifting the upper and lower eyelids. Get medical help.

5. Fire fighting measures

Material may be flammable at high temperatures. It is recommended that firefighters should wear protective gear and self-contained breathing apparatus to limit personal exposure, and select firefighting media appropriate to the other materials involved in the fire.

6. Accidental release measures

Personal precautions: Wear appropriate protective gear; see below under "Exposure control"
Methods for cleaning: Wipe up spill, place in sealed container.
Spill site should be washed with plenty of water.
Disposal precautions: Dispose of all waste in accordance with local authority regulations.

7. Handling and storage

Handling: This product should be handled only by qualified experienced professionals.
Wash thoroughly after handling the material.
Storage: Store at -20°C
All components should be stored in tightly closed containers.

8. Exposure controls / personal protection

Ingredient name	CAS No.	STD	LT EXP. (8hrs)	ST EXP. (15min)
Component 1	not applicable	n/a	n/a	n/a
Component 2	not applicable	n/a	n/a	n/a
Component 3	not applicable	n/a	n/a	n/a
Component 4	not applicable	n/a	n/a	n/a

Protective equipment: During routine use, wear suitable protective clothing; laboratory coat, gloves and safety glasses. Use face mask to avoid breathing in dust when cleaning up powder spills.

9. Physical and chemical properties

Form/Appearance: Lyophilized light blue solid
pH: n/a
Melting point: n/a
Flashpoint: n/a
Explosive properties: n/a
Vapor pressure: n/a
Relative density: n/a
Solubility: soluble in water

10. Stability and reactivity

This material is stable for up to 12 months if stored as directed.
Conditions to avoid: Excessive heat and moisture
Materials to avoid: none known
Hazardous decomposition products: none known

11. Toxicological information

Toxic dose LD-50: Not known
Health warnings: Slightly irritant to skin, lungs and eyes
Other health effects: none known

12. Ecological information

Environmental hazards – no data available for the product itself.

13. Disposal considerations

This product should be disposed of in accordance with local waste disposal authority

14. Transport information

Road/Rail:

Road/Rail transport notes: Product not classified as dangerous goods under any transport regulation

Sea/Air:

Sea/Air transport notes: Product not classified as dangerous goods under any transport regulation

15. Regulatory information

For research and in vitro use only. Not for diagnostic or therapeutic work.

The information contained in this safety datasheet is believed to provide relevant information that will aid the safe handling and use of all these products and their related conjugates. However, it does not claim to be an all inclusive assessment and should be used as a guide only.

Please note that our Material Safety Datasheets have been formulated in accordance with EU directives, without regard to national current chemical acts. Special national regulations must be observed by the user!

Acris Antibodies GmbH shall not be held liable for any damage resulting from contact with this product.

16. Other information
