

## Material Safety Datasheet for AbSelect Antibody Purification System (SAF0039\_A)

### 1. Product description

#### 1a. Identification of the substance / preparation

Catalog No.: **AC047-001, AC047-003**

Product Description: AbSelect Antibody Purification System

#### 1b. Supplier

Acris Antibodies GmbH

Schillerstraße 5

D-32052 Herford

Germany

Phone: +49-5221-34606-0

Fax: +49-5221-34606-11

Email: info@acris-online.de

Internet: www.acris-antibodies.com

### 2. Composition / Information on ingredients

#### Protein A Resin

Name:	CAS No.	Contents:
Protein A Resin	None	By weight 100 %

#### Binding Buffer

Name:	CAS No.	Contents:
Water	None	By weight 87.09 %
Component A	None	7.63 %
Component B	None	5.28 %

#### Wash Buffer

Name:	CAS No.	Contents:
Water	None	By weight 98.95 %
Component A	None	0.87 %
Component B	None	0.17 %
Component C	None	0.01 %

#### Elution Buffer

Name:	CAS No.	Contents:
Water	None	By weight 99.80 %
Component A	None	0.18 %
Component B	None	0.02 %

#### Neutralizing Buffer

Name:	CAS No.	Contents:
Water	None	By weight 67.59 %
Component A	None	32.21 %
Component B	None	0.20 %

**Composition comments:** AbSelect Antibody Purification System

### 3. Hazards identification

Not a hazardous substance or mixture according to Regulation (EC) No 1272/2008  
This substance is not classified as dangerous according to Directive 67/548/EEC.

### 4. First-aid measures

Skin: In case of contact dab off with absorbent cloth and wash off skin thoroughly with soap and water. If discomfort persists obtain medical attention.

Lungs: If inhaled, remove from exposure, rest and keep warm. Seek medical attention.

Mouth: If ingested, wash out mouth thoroughly with water and give plenty of water to drink.  
DO NOT induce vomiting. Obtain medical attention.

Eyes: Flush eyes with plenty of water for at least 10 minutes, occasionally lifting the upper and lower eyelids. Get medical help.

### 5. Fire fighting measures

Material may be flammable at high temperatures. It is recommended that firefighters should wear protective gear and self-contained breathing apparatus to limit personal exposure, and select firefighting media appropriate to the other materials involved in the fire.

### 6. Accidental release measures

Personal precautions: Wear appropriate protective gear; see below under "Exposure control"

Methods for cleaning: Wipe up spill, place in sealed container.  
Spill site should be washed with plenty of water.

Disposal precautions: Dispose of all waste in accordance with local authority regulations.

### 7. Handling and storage

Handling: This product should be handled only by qualified experienced professionals.  
Wash thoroughly after handling the material.

Storage: Store at 4°C  
All components should be stored in tightly closed containers.

### 8. Exposure controls / personal protection

Protective equipment: During routine use, wear suitable protective clothing; laboratory coat, gloves and safety glasses. Use face mask to avoid breathing in dust when cleaning up powder spills.

### 9. Physical and chemical properties

Form/Appearance: Clear Liquid (Binding Buffer, Wash Buffer, Elution Buffer and neutralizing Buffer)  
White Solid (Protein A)

pH: n/a

Melting point: n/a

Flashpoint: n/a

Explosive properties: n/a

Vapor pressure: n/a

Relative density: n/a

### 10. Stability and reactivity

This material is stable for up to 12 months if stored as directed.

Conditions to avoid: Excessive heat and moisture

Materials to avoid: None known

Hazardous decomposition products: None known

### 11. Toxicological information

Acute toxicity: Not known

Health warnings: Not known

Other health effects: None known

### 12. Ecological information

Environmental hazards – no data available for the product itself.

### 13. Disposal considerations

This product should be disposed of in accordance with local waste disposal authority

### 14. Transport information

#### Road/Rail:

Road/Rail transport notes: Product not classified as dangerous goods under any transport regulation

#### Sea/Air:

Sea/Air transport notes: Product not classified as dangerous goods under any transport regulation

### 15. Regulatory information

**For research and in vitro use only. Not for diagnostic or therapeutic work.**

The information contained in this safety datasheet is believed to provide relevant information that will aid the safe handling and use of all these products and their related conjugates. However, it does not claim to be an all inclusive assessment and should be used as a guide only.

Please note that our Material Safety Datasheets have been formulated in accordance with EU directives, without regard to national current chemical acts. Special national regulations must be observed by the user!

Acris Antibodies GmbH shall not be held liable for any damage resulting from contact with this product.

### 16. Other information

#### References

Manufacturer safety information.
